

No 12 /2025

**Addendum to the Dean's Regulation No. 08/2025
Announcement of the Admission Procedure for Bachelor's and
Master's Degree Programmes Taught in English for the
Academic Year 2026/2027 at the Faculty of Agrobiology, Food
and Natural Resources, Czech University of Life Sciences
Prague**

Article 1

Introductory Provisions

This regulation amends the Dean's Regulation No. 08/2025 – *Announcement of the Admission Procedure for Bachelor's and Master's Degree Programmes Taught in English for the Academic Year 2026/2027 at the Faculty of Agrobiology, Food and Natural Resources, Czech University of Life Sciences Prague* (hereinafter referred to as "Regulation No. 08/2025").

Article 2

Subject of the Regulation

In accordance with the internal regulation of the Czech University of Life Sciences Prague concerning the determination of fees related to studies and the amount of payments for administrative acts and services of the Czech University of Life Sciences Prague from the academic year 2025/2026 onwards, this regulation amends Regulation No. 08/2025 in Part A, Article 3, paragraph 4 (for bachelor's study programmes) and in Part B, Article 3, paragraph 5 (for master's study programmes) regarding the amount of the admission fee, which is set at CZK 850. The amended provision shall read as follows:

"The admission procedure fee is CZK 850 and must be paid no later than 15 January 2026.

This fee must be paid separately for each submitted application; it is not possible to pay it with a single combined payment. Payment instructions will be displayed after the application has been created at <https://is.czu.cz/prihlaska>. The payment status can also be monitored at the same address. The fee is non-refundable at any stage of the admission procedure."

Article 3

Final Provisions

The provisions of Regulation No. 08/2025 not affected by this regulation remain in force.

This regulation enters into force and effect on the date of its promulgation.

Prague, 22 October 2025

prof. Ing. Josef Soukup, CSc.
Dean of FAFNR
Czech University of Life Sciences Prague
