Food and Natural Resources

Prague 13/11/2026

Invitation to state doctoral examination

State doctoral examination that will be taken by

Abdul Majid

a student in doctoral study programme Exploitation and Conservation of Natural Resources, including the defence of the dissertation thesis on the topic of **"Influence of farming practice on water and temperature regimes of soils"** will be held on

18 November 2026 at 10:30,

room Malá zas. místn., Faculty of Agrobiology, Food and Natural Resources Czech University of Life Sciences Prague.

The subjects (fields) of the state doctoral examination are:

- Hydraulic and thermal properties of soils – examined by Ing. Markéta Miháliková, Ph.D.
- Temporal variability of soil properties – examined by doc. Ing. Lenka Pavlů, Ph.D.
- Methods suitable for soil structure study – examined by doc. Ing. Vít Penížek, Ph.D.
- Mathematical modeling of water flow in porous environment – examined by Ing. Miroslav Tesař, CSc.

Sincerely,

prof. Ing. Eva Vlková, Ph.D.
Dean
