Study information

- Academic year is divided into two semesters:
 - an autumn/winter (AS/WS) and
 - a summer/spring (SS) semester.
- Each subject consists of a lecture and a practical training (seminar) – attendance is compulsory:
 - 2 teaching hours of lectures a week = 90 minutes
 - 1-2 teaching hours of practical training a week
 - 1 teaching hour lasts 45 minutes

Study information

- Each subject has a code which indicates the mode of completion of subject
 - **Z**EX01**Z** (Aquatic Ecosystem Restoration) → Z (započet) = creditation (e.g. test)
 - **A**AA41**E** (Advanced Meteorology and Climatology) → E = creditation (e.g. test) + **exam** (i.e. no credits without passing the exam)
- In this case, creditation is an assumption for being able to take an exam.
- Exams can be oral or written.
- Grading system for exams: 1 – excellent; 2 – very good; 3 – good; 4 – fail

A=FAFNR

Z=FES

Study information

- You have been enrolled and the subjects from your Online Learning Agreement (OLA) are recorded in the University Information System (UIS).
- If there are any timetable conflicts and you wish to change your subject(s), please email the name and the code of the subject you wish to delete and add to iro@af.czu.cz by 11th October. We will record the changes in UIS for you.
- You need to have **at least 50%** of your subjects from our Faculty.
- If you cannot see the courses in your timetable yet, you can search for subjects from your OLA in the timetable of the UIS.
